# Leave a Legacy

ORWELL PARK SCHOOL

*Celebrating*

150

YEARS

# The gift of a lifetime

---

**For many, leaving a legacy is a joyful experience as we remember those people and experiences that have had the greatest impact on our lives.**

Orwell Park depends upon the philanthropy of our alumni and friends to sustain our work, and legacies form a huge part of supporting this ongoing need.

**What you can support:** When you make a gift, you can choose to support a specific project or leave an unrestricted gift so that your gift can be used where it is needed most. There are many kinds of gifts you can leave – pecuniary gifts (cash) and residuary gifts (a share of an estate) are the most common. You can also gift property such as photographs, art and books.

**How to begin the process of making a will:** It is always advisable to have your will written by a solicitor experienced in Wills and Probate.

**How to add a gift to an existing will:** A form called a codicil can be added to your will by a solicitor. Go to [solicitors.lawsociety.org.uk](http://solicitors.lawsociety.org.uk) to find a solicitor locally.

**Understanding Inheritance Tax:** HMRC provides guidance on Inheritance Tax, and a solicitor will be able to go through the details for your particular situation.

**Ready to leave a gift?** We would be glad to discuss the options available – please get in touch with Development & Alumni Relations Manager Amy Carbonero by email ([foundation@orwellpark.org](mailto:foundation@orwellpark.org)), phone (01473 653228) or post.

**What you will need:** It's important to include our name, address and registered charity number when you leave a gift in your Will:

Charity name: The Orwell Park School Foundation

Address: Orwell Park School, Orwell Park, Nacton, Ipswich, IP10 0ER

Registered Charity No: 1070488

**Thank you!**
